

Dear Sirs,

We've just received Port Said Port Authority letter which its translation into English is as follows:

It has been decided to implement ISPS Code in Port Said starting from 1st July 2004 in accordance with what have been declared in the ISPS Code for the port and ships calling Port Said for cargo operations. Worth mentioning the actual three security levels mentioned in the ISPS Code will be applied.

For your easy reference please find hereunder Port Communication means, main departments and persons in charge.
